As you know Chuck has done a lot of things behind the scenes. He is a quiet leader. He is the chair of giveakidaflagtowave, helped with the fundraisers, and makes me proud to have him as a fellow Exchangite. Join me in congratulating him on Sunday at 11AM at the flagpole.

Congratulations to the McHenry Club on POM August 15th

As you know Pat "Fergal" Gallagher and Marge Keenan-Denniston have been working hard to get this club up and running. This may be the first club for Kim Hodges Presidency year

Child abuse projects

Darkness to Light

This project looks like it would allow us to win back to back national award for Outstanding community service project. I am trying to get this started in the Lake County area. To help you to get started, I have information on the prevent-a thon project going on in Charleston

First Annual Prevent-a-thon underway!

Darkness to Light is embarking on an exciting project. During the month of August here in the Charleston area, we're having a Prevent-a-thon™. We are making our [Stewards of Children prevention training program](#) available to responsible adults throughout the tri-country area at no charge. We are able to do this through the generous donations of area businesses and individuals. To kick off this event, WCIV, the local ABC affiliate, will be airing our documentary *Childhood Stories* this evening at **8:00 p.m.** At **8:30 p.m.** there will be a live, half-hour discussion by local individuals addressing the various aspects of child sexual abuse, and the cost of that abuse to society. Thanks so very much to Rick Hendrick Volvo for sponsoring this very special programming.

Please join us in this effort. This is an opportunity to make the lives of countless low country children safer from the devastation of child sexual abuse. If you are not in the tri-country area and would like to see this happen in our community, please check out the Prevent-a-thon™ page at www.darkness2light.org/prevent.

Together, we can protect their only childhood.

Berkey Fellowship Club

I (Mike) have agreed to be point man for increasing the number of Berkey Clubs nationally. I am starting right here in Lake County. I am asking for \$1,000 per club one time donation over the next year. The funds will go into a Berkey foundation account in which the principal is never touched. The interest goes toward Exchange activities especially the support of child abuse centers throughout the nation. I have already gone to the Gurnee Noon club and Grayslake Noon club to ask for their support
